Christina and Andrew,

I reviewed and added a few codes.

My main question is the huge amount of hours to the stone/ gem. Can we really bill all of that???

Still in CB 33 meeting until at least noon if not 1pm.

Susanne,

I was able to download the time from Core.

The excel above is organized by phase, there is one table for each phase, sheets 2-10.

Let me know if this will work for you.
